*"Stand at the crossroads and look; ask for the
ancient paths, ask where the good way is, and
walk in it, and you will find rest for your souls..." -
Jeremiah 6:16*

**Thank you to all presenters
& attendees
partners & integrators!**

for their content & good humour

Looking under the hood ...

It is easy to say things like eg.

“Open Source will always win over proprietary software”

or

“The Community created the software”

But

- **This is not magic** – FLOSS is made out of blood, sweat & tears of many!
 - Can't anthropomorphise & relax

And not that many

- The *user : developer* ratio – is amazingly high ~everywhere
- Thank you to everyone that contributed something!
 - Bug reports, forum answers, bug triage, translation, UX, coding and more: you make a huge difference
- Thank you to all who implemented & improved integrations
- Thank you for caring about detail!

**THE FUTURE BELONGS
TO THE FEW OF US
STILL WILLING TO GET
OUR HANDS DIRTY.**

Hacker Heroes – thank you!

2021 - All about

Thanks for joining & supporting our mission to make FLOSS rock !

looking forward to next year

Oh, that my words were recorded, that they were written on a scroll, that they were inscribed with an iron tool on lead, or engraved in rock for ever! I know that my Redeemer lives, and that in the end he will stand upon the earth. And though this body has been destroyed yet in my flesh I will see God, I myself will see him, with my own eyes - I and not another. How my heart yearns within me. - Job 19: 23-27
